Full Planning

This package starts from the beginning to the end. We plan the wedding with the bride and groom, making their dreams a reality. We make sure to have consistent communication and on-going consultations. Expectations and decisions are discussed with the bride and groom.

- This package is for the couples who are busy and want to truly enjoy their engagement by focusing more on each other and their lifestyles than be hassled with the planning.

Starts from 2 years before the wedding date and all the way up to the end of the wedding day reception.
